

Chapter 7

PORTABILITY IN SECTION 8 FSS PROGRAMS

INTRODUCTION

PHAs operating Section 8 FSS programs must be familiar with the rules and regulations regarding portability under the Section 8 program. As with the case of portability in the Section 8 program in general, the FSS family may move outside the initial PHA jurisdiction under portability procedures after the first 12 months of the FSS contract of participation [24 CFR 984.306].

In the event that an FSS family chooses to exercise portability, certain special requirements regarding the FSS program would apply. This chapter describes the obligations of the initial PHA, the receiving PHA, and the FSS family under portability, in addition to any special stipulations regarding portability in the FSS context.

This chapter contains two parts:

Part I: Portability in the FSS Program: This part provides a general overview of portability in the FSS program, including the residency requirements for FSS portability and management of the contract of participation when a family moves into or from another PHA's jurisdiction.

Part II: The Effects of Portability on FSS Regulations and Policy: This part describes the specific ways in which portability affects different aspects of the FSS program, including the escrow account, program termination, loss of the FSS account, and termination of Section 8 program assistance.

PART I: PORTABILITY IN THE FSS PROGRAM

7-I.A. OVERVIEW

Portability is a statutory feature of the Section 8 program—it is included in the law. As such, PHAs operating an Section 8 FSS program need to understand the effects that portability will have on Section 8 FSS families and program operation. This part provides a general overview of portability in the FSS program, including the residency requirements for FSS portability and management of the contract of participation when a family moves into or from another PHA's jurisdiction.

7-I.B. DEFINITIONS

For the purposes of portability with regards to the FSS program, the following definitions will be used [24 CFR 982.4, 24 CFR 984.306].

- *Initial PHA* means both:
 1. A PHA that originally selected a family that later decides to move out of the jurisdiction of the selecting PHA; and
 2. A PHA that absorbed a family that later decides to move out of the jurisdiction of the absorbing PHA.
- *Receiving PHA* means a PHA that receives a family selected for participation in the tenant-based program of another PHA. The receiving PHA either absorbs the family into its program, including issuing a voucher and providing rental assistance to the family, or bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher.
- *Relocating FSS Family* refers to an FSS family that moves from the jurisdiction of a PHA at least 12 months after signing its contract of participation.

7-I.C. RESIDENCY REQUIREMENTS

Families participating in a Section 8 FSS program are required to lease an assisted unit within the jurisdiction of the PHA that selected the family for the FSS program for a minimum period of 12 months after the effective date of the contract of participation. However, the initial PHA may approve a family's request to move outside its jurisdiction under portability during this period if the move is in accordance with the regulations at 24 CFR 982.353 [24 CFR 984.306(a)(1)].

PHA Policy

The PHA will approve a family's request to move outside its jurisdiction under portability during the first 12 months, so long as the Family is not in the first year of their current lease in HCV, after the effective date of the contract of participation if the move is in accordance with the regulations for such moves at 24 CFR 982.353.

After the first 12 months of the FSS contract of participation, the FSS family may move outside the initial PHA jurisdiction under portability procedures regardless of PHA approval [24 CFR 984.306(a)(2)].

7-I.D. PORTABILITY REQUIREMENTS FOR FSS PARTICIPANTS

Receiving PHA Administers an FSS Program [24 CFR 984.306(b)]

Whether the receiving PHA bills the initial PHA or absorbs the FSS family into its Section 8 program, the receiving PHA must enroll an FSS family in good standing in its FSS program. However, if the receiving PHA is already serving the number of FSS families identified in its FSS Action Plan and determines that it does not have the resources to manage the FSS contract or the receiving PHA, the initial PHA may agree to the FSS family's continued participation in the initial PHA's FSS program. Prior to the PHAs agreeing to the continued participation, the initial PHA must determine that the relocating FSS family has demonstrated that, notwithstanding the move, it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

PHA Policy

The PHA, as the initial housing authority, will agree to the participant's continued participation in their FSS program so long as the relocating family has demonstrated, with the assistance of the FSS Coordinator, that it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

Where continued FSS participation is not possible, the initial PHA **must** clearly discuss the options that may be available to the family. Depending on the family's specific circumstances, these options include modification of the FSS contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement in accordance with 24 CFR 984.303(k)(1)(iii), or termination of the FSS contract and forfeiture of escrow.

PHA Policy

The PHA will clearly discuss the options that are available to the family where continued FSS participation is not possible. Depending on the family's specific circumstances, these options include modification of the FSS contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

Receiving PHA Does Not Administer an FSS Program [24 CFR 984.306(c)]

If the receiving PHA does not administer an FSS program, and the receiving PHA is absorbing the voucher, the FSS family may not continue participation in the FSS program. The initial PHA must clearly discuss the options that may be available to the family. These may include, but are not limited to, modification of the FSS contract, locating a receiving PHA that administers an FSS program, termination of the FSS contract with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

PHA Policy

The PHA will, as stated above, clearly discuss the options that may be available to the family where continued FSS participation is not possible. Depending on the family's contract specific circumstances, these options include modification of the FSS contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement in accordance with 24 CFR 984.303(k)(1)(iii), or termination of the FSS contract and forfeiture of escrow.

"If the receiving PHA does not administer an FSS program and the RHA is administering the voucher, the FSS family may continue participation in the FSS program. The initial PHA must clearly discuss the options that may be available to the family. These may include, but are not limited to, modification of the FSS contract, locating a receiving PHA that administers an FSS program, termination of the FSS contract with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

PHA Policy

The PHA, as the initial housing authority, will agree to the participant's continued participation in their FSS program so long as the relocating family has demonstrated, with the assistance of the FSS Coordinator, that it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

See Portability Chart Below:

PORTABILITY FSS IMPACT ON FSS FAMILY

	Family FSS Status	PHA FSS Status	Port Scenario	FSS Impact	PHA or HUD Decides
1.	FSS family ports	Receiving PHA has FSS program Initial PHA has FSS program	Billed	Family may continue participation in initial PHA's FSS program or Family may enroll in receiving PHA's FSS program	Determined by the initial PHA Determined by the receiving PHA
2.	FSS family ports	Receiving PHA has FSS program Initial PHA has FSS program	Absorbed	Family may enroll in receiving PHA's FSS program or Family may continue participation at initial PHA's FSS program.	Determined by the receiving PHA Determined by the receiving PHA *Agreement from the receiving PHA is needed because they would be responsible for most of the FSS tasks under this scenario.
3.	FSS family ports	Receiving PHA does not have FSS program Initial PHA administers FSS program	Billed	Family may continue participation in initial PHA's FSS program	First, determined by the initial PHA. Then, receiving PHA must agree *The receiving PHA would be responsible for submitting the FSS information for the family into IMS/PIC. Receiving PHA's determination must be based on an undue financial or administrative hardship such as the cost of adding an FSS module to their existing systems. If continued participation is agreed to by the PHAs, the initial PHA must provide the receiving PHA with timely and complete FSS addendum information and the receiving PHA is responsible for timely and accurate submission of the FSS information into IMS/PIC.
4.	FSS family ports	Receiving PHA does not have FSS program Initial PHA administers FSS program	Absorbed	Family may not continue participation in initial PHA's FSS program	HUD The receiving PHA would be responsible for managing escrow and the receiving PHA does not administer an FSS program.

Single Contract of Participation

If the FSS family enrolls in the receiving PHA's FSS program, the receiving PHA will enter a new contract with the FSS family for the term remaining on the contract with the initial PHA. The initial PHA will end its contract with the family.

If the FSS family remains in the FSS program of the initial PHA, pursuant to this section, the contract executed by the initial PHA will remain as the contract in place.

Termination of FSS contract and Forfeiture of Escrow Account [984.306(e)]

If an FSS family relocates to another jurisdiction and is unable to fulfill its obligations under the contract, including any modifications, the PHA, which is a party to the contract, **must terminate the FSS family from the FSS program**. The family's FSS escrow account will be forfeited.

Termination of FSS program participation and forfeiture of FSS escrow must be used only as a last resort after the PHA determines, in consultation with the family, that the family would be unable to fulfill its obligations under the contract after the move, that locating another receiving housing authority with a FSS program is not possible, that the current contract cannot be modified to allow for completion prior to porting, and that the current contract cannot be terminated with FSS escrow disbursement. When termination is the only option, the PHA must clearly notify the family that the move will result in the loss of escrow funds. The PHA must follow its policy for clearly notifying the FSS family of the forfeiture.

7-I.E. NEW FSS ENROLLMENT INTO RECEIVING PHA'S FSS PROGRAM

Administering and Billing of the Voucher

If a non-FSS family ports and, the receiving PHA may, consistent with the receiving PHA's FSS enrollment policies, enroll a family that was not an FSS participant at the initial PHA into its FSS program, but only if the initial PHA manages an FSS program and agrees to such enrollment. If the receiving PHA bills the initial PHA, but the initial PHA does not manage an FSS program, the family may not enroll in the receiving PHA's FSS program.

PHA Policy

The PHA, as receiving housing authority, will enroll a non-FSS family who is porting when the initial PHA manages an FSS program, is being billed for the housing assistance payments, and agrees to the family enrolling in the RHA's FSS program.

Absorption of the Voucher

If the receiving PHA absorbs the family into its Section 8 program, the receiving PHA may, consistent with the receiving PHA's FSS enrollment policies, enroll a family that was not an FSS participant at the initial PHA into its FSS program.

Portability FSS Impact on Non-FSS Family

Family FSS Status		PHA FSS Status	Port Scenario	FSS Impact	PHA or HUD Decides
1.	Non-FSS family ports	Initial PHA has FSS program Receiving PHA has FSS program	Billed	Family may enroll in receiving PHA's FSS program	Initial PHA * Initial PHA agreement is needed because they would be responsible for managing the FSS escrow account
2.	Non-FSS family ports	Initial PHA has FSS program Receiving PHA has FSS program	Absorbed	Family may enroll in receiving PHA's FSS program	Receiving PHA
3.	Non-FSS family ports	Initial PHA does not have an FSS program Receiving PHA has FSS program	Billed	Family may not enroll in receiving PHA's FSS program	HUD *The initial PHA would be responsible for managing the FSS escrow account and the initial PHA does not administer an FSS program
4.	Non-FSS family ports	Initial PHA does not have FSS program Receiving PHA has FSS program	Absorbed	Family may enroll in receiving PHA's FSS program	Receiving PHA

PART II: REPORTING

7-II.A. OVERVIEW

Each PHA that carries out an FSS program shall submit to HUD, in the form prescribed by HUD, a report regarding its FSS program.

7-II.B. CONTENTS OF THE FSS REPORT [24 CFR 984.401]

The report submitted to HUD must include a description of the activities carried out in the FSS program; a description of the effectiveness of the program in assisting families to achieve economic independence and self-sufficiency, including the number of families enrolled and graduated and the number of established escrow accounts and positive escrow balances; a description of the effectiveness of the program in coordinating resources of communities to assist families to achieve economic independence and self-sufficiency; and any recommendations by the PHA or the appropriate local Program Coordinating Committee for legislative or administrative action that would improve the FSS program and ensure the effectiveness of the program.

7-II.C. FAMILY SELF-SUFFICIENCY GRANT PROGRAM REVIEW PHA SELF-ASSESSMENT

HUD provides a detailed checklist for PHAs to conduct their own self-assessment of their FSS program. The form is administered by the local field office and allows each PHA to gather concrete and comprehensive data covering aspects of the program from FSS Action Plans and Composite Scores through FSS program size, participants, and graduations to reductions in FSS grants and current Memoranda of Agreement with community partners. The detailed example of the FSS Self-Assessment is available at HUD's FSS Resource page, which can be located by searching "HUD FSS" on any browser.
